SOS International LLC (SOSi) is a privately-owned, mid-tier government services integrator that works in the Defense and Intelligence sectors. We were founded in 1989 to provide specialized analytical services to the law enforcement community. Over the last 25 years, SOSi evolved into an international solution provider, working on critical operations in the world's toughest environments. SOSi provides intelligence, technology and project management solutions to large, government and private sector organizations.

SOSi's core service areas include:

- Intelligence Analytics and Training (IAT)
- Information Technology and Systems Engineering (ITSE)
- Language and Cultural Analysis (LCA)
- Base Operation Support (BOS)
- Engineering, Procurement & Construction (EPC)
- Operations & Maintenance (O&M) (Air, Sea and Land Systems)
- Security Assessment & Training (A&T)

SOSi has completed successful projects in 30 countries spanning the United States, Latin America, Europe, the Middle East, North Africa, and Central Asia. With unmatched energy, agility and flexibility, SOSi's commitment, expertise and experience delivers measurable results for all of our customers' needs.

OLM - ORDER-LEVEL MATERIALS (OLMs)

OLMs are supplies and/or services acquired in direct support of an individual task or delivery order placed against a Multiple Award Schedule (MAS) contract or MAS blanket purchase agreement (BPA). OLMs are not defined, priced, or awarded at the MAS contract level. They are unknown before a task or delivery order is placed against the MAS contract or MAS BPA. OLMs are only authorized for inclusion at the order level under a Time-and-Materials (T&M) or Labor-Hour (LH) Contract Line Item Number (CLIN) and are subject to a Not to Exceed (NTE) ceiling price. OLMs include direct materials, subcontracts for supplies and incidental services for which there is not a labor category specified in the MAS contract, other direct costs, and indirect costs. OLMs are purchased under the authority of the MAS Program and are not "open market items."

SERVICE CONTRACT LABOR STANDARDS (SCLS) CHARTS

The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract and it includes SCLS applicable labor categories. The prices for the cited SCLS labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCLS matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide).

SOS International LLC (SOSi) certifies the GSA awarded rate meets or exceeds the minimum wage rate as identified in Wage Determinations 2015-4281 Revision 12, dated December 26, 2018, and 1987-0989, Revision 53, dated April 2, 2019 currently incorporated into the Professional Services Schedule (PSS) Solicitation for the SCLS non-exempt labor categories identified in the matrix below.

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

PREAMBLE

SOS International LLC (SOSi) provides commercial products and services to the Federal Government. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in Federal Government contracts. To accelerate potential opportunities please contact Pantea Holt at the SOS International LLC GSA Technical Assistance Department at Pantea.Holt@sosi.com; Phone (571) 376-1384; Fax (703) 391-9781.

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule contractors may use “Contractor Team Arrangements” (see [FAR 9.6](#)) to provide solutions when responding to a customer agency requirements. These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPA’s are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions of the Federal Supply Schedule contract. Participation in a Team Arrangement is limited to Federal Supply Schedule contractors.

Customers should refer to [FAR 9.6](#) for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule contractors may individually meet the customers needs, or -
- Federal Supply Schedule contracts may submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.

BEST VALUE BLANKET PURCHASE AGREEMENT FEDERAL SUPPLY SCHEDULE

(Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act

_____(Agency)_____ and _____(Contractor)_____ enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s)

_____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the **Government that works better and costs less.**
